RESOLUTION 2022-08

RCW 84.55.120

WHEREAS, The Board of Commissioners of Benton County Fire Protection District No. 4 has met and considered its budget for the calendar year 2023; and

WHEREAS, the Board of Commissioners had properly given notice of the public hearing held November 3rd, 2022 to consider the district's revenue sources and current expense budget for the 2023 calendar year, pursuant to RCW 84.55.120; and

WHEREAS, At the August 2, 2022 primary election the Voters of Benton County Fire Protection District No. 4 approved by a simple majority the levying of 50 cents per thousand dollars of assessed valuation of property tax for Emergency Medical Services within the District on a permanent basis.

WHEREAS, At the August 4, 2020 general election, the Voters of Benton County Fire Protection District No. 4 approved a measure allowing the 101% limit to be exceeded for six consecutive years and establishing a voter approved limitation of 6% per year (in addition to the increase resulting from the addition of new construction and improvements to property and any increase in the value of state-assessed property) over the amount collected in 2021, but not to exceed the amount of \$1.50 per thousand of assessed valuation.

WHEREAS, the Board of Fire Commissioners of Benton County Fire Protection District No. 4, after hearing and after duly considering all relevant evidence and testimony presented, determined that the district requires an increase in property tax revenue from the previous year, in addition to that resulting from the addition of new construction and improvements to property; and any increase in the value of state-assessed property; and the banked capacity the District is legally authorized to collect, in order to discharge the expected expenses and obligations of the district and in its best interest; now, therefore,

BE IT RESOLVED, by the Board of Fire Commissioners of Benton County Fire Protection District No. 4 that the voters authorized the District to increase the **non-EMS regular property tax levy** to be collected in 2023 by 6%. The dollar amount of the increase over the actual regular levy amount from the previous year shall be **\$220,604** which is a percentage increase of **6%** from the previous year. This increase is **exclusive of** additional revenue resulting from new construction, improvements to property, newly constructed wind turbines, any increase in the value of state assessed property, any annexations that have occurred and refunds made. And;

BE IT RESOLVED, by the Board of Fire Commissioners of Benton County Fire District 4 that the voters authorized the District to impose an **EMS regular property tax levy** at the statutory maximum of \$.50 per \$1,000 of assessed value of the District and, accordingly the **EMS regular property tax levy** is hereby authorized to be collected in the 2023 tax year in the amount of **\$515,826** which is a percentage increase of
